BOG

BUSTERS!

Hello? Is this thing on?

Oi! Ollie will you come hold this!

Huff  
Huff

Welcome to Bagbusters  
I am your host Victor the  
Vi-vi-Vi-par-ros...

Vee-vee-pow-roos  
Ve-vee-par-walrus  
viviparous  
lizard

whoa, that's hard to  
say

Anyway, I'm the only  
Lizard that can live in the  
cold weather of Ireland.

and charming and funny  
and...

AHEM

Oh yeah the Show.

Ladies and gentle frogs  
froglings and tadpoles...

Victor

Hi  
Walter

I'm older  
than you! And I've  
never changed  
my name

You Youngin's  
are always  
changin' you're  
names.

Anyway Fern is going to be talking about the sundew. Isn't that right, Fern?

It sure is, William.

This here Ladies and gentlemen is called a Sundew, now Sundew don't get their nutrients from the soil they get...

Sigh

Bzz

Bzz

Uhhhh... Fly... Me... want... Fly...

EEhh... Hethp! Hethp!

Bzz  
Bzz

Bzzzz

Dang it Fern!  
Not again!

HEEEEEEV

Bzzzzzz

Twang

Ollie! Put down the  
and come help!

Camera?

AAH

My M  
every

I am...  
We made  
a new Live  
...  
TV Show  
see the  
Camera?

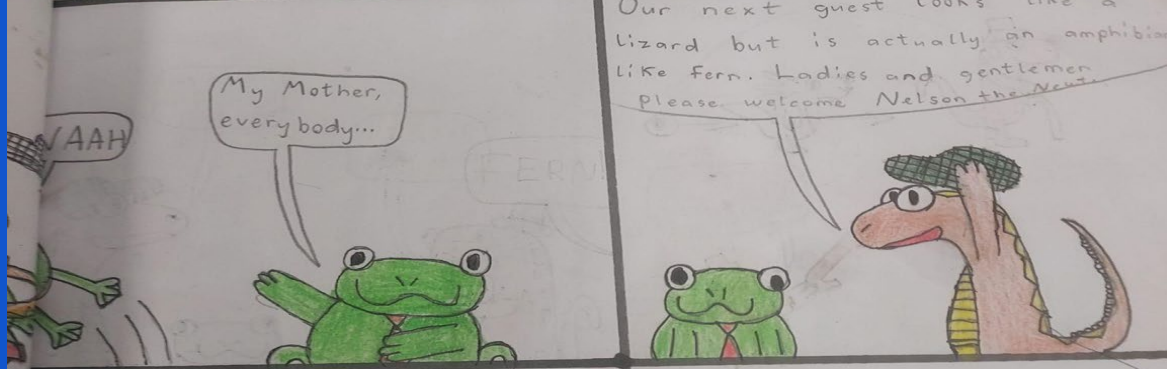

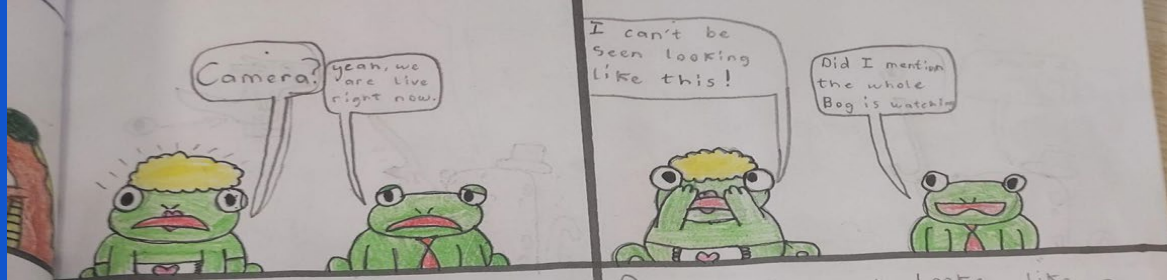

Hey  
everba

I thought  
you were  
at your  
new  
Job!

Uhhh...  
Ow...

ERN!

I start  
off as a  
little egg

And...

Finally I'm a  
full grown  
neat and now  
I have...

Yes, I  
have two

Ah-so you  
have your  
own kids

Nick and  
Nathan

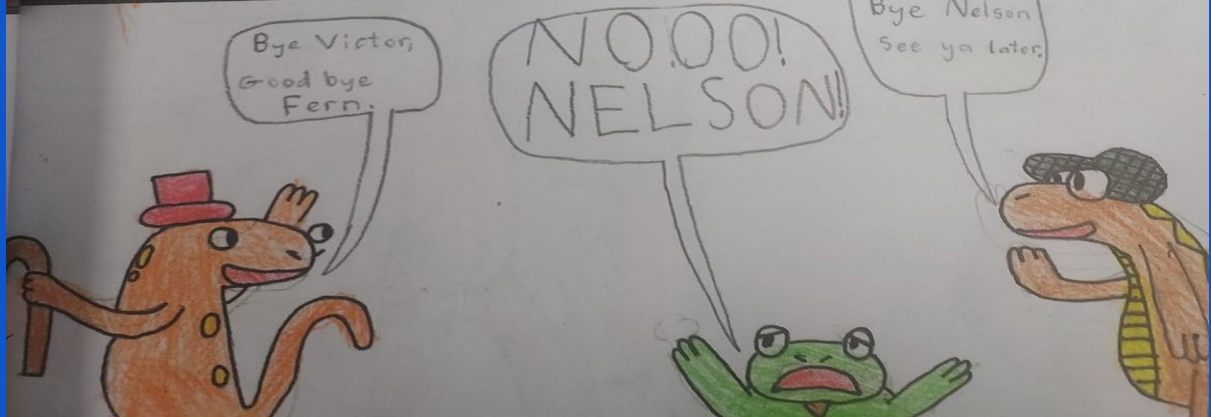

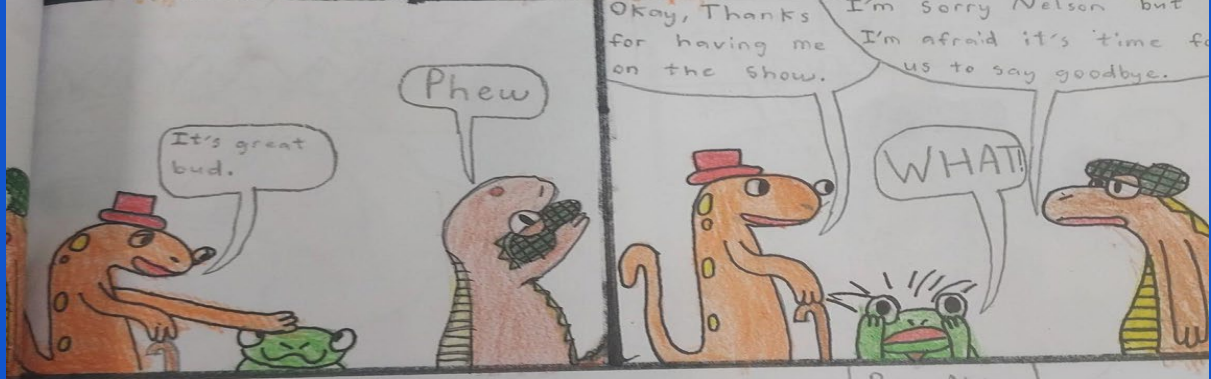

And what  
are their  
names?

I HAVE  
A QUESTION  
FOR YOU!

Our next guest doesn't live in the Bog but he does cross over the Bog every so often-

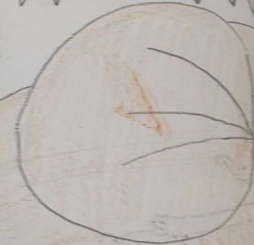

every frog for him self!

Ollie look out!

Ow! Sorry

Okay lets go.

Sorry Guys

trees  
e water

This is Dino. Dave will be showing  
us the dangers to the bog.

Okay lets  
go.

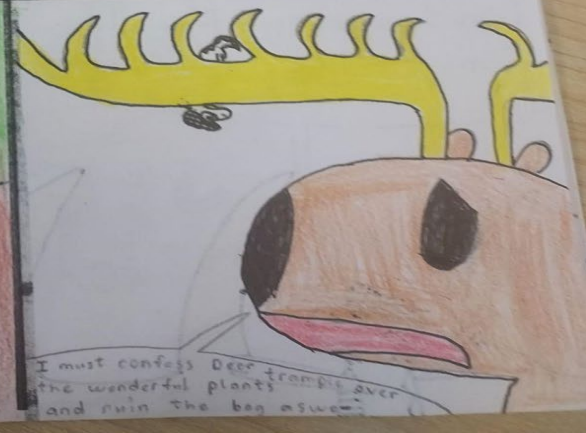

The humans are digging up the bog, dry and  
releasing tons of CO2.

Darn  
Humans!

The trees also suck up all  
the water leaving the bog dry.

Darn  
Trees!

I must confess Deer tramples over  
the wonderful plants  
and ruin the bog as well.

Victor!  
Help!

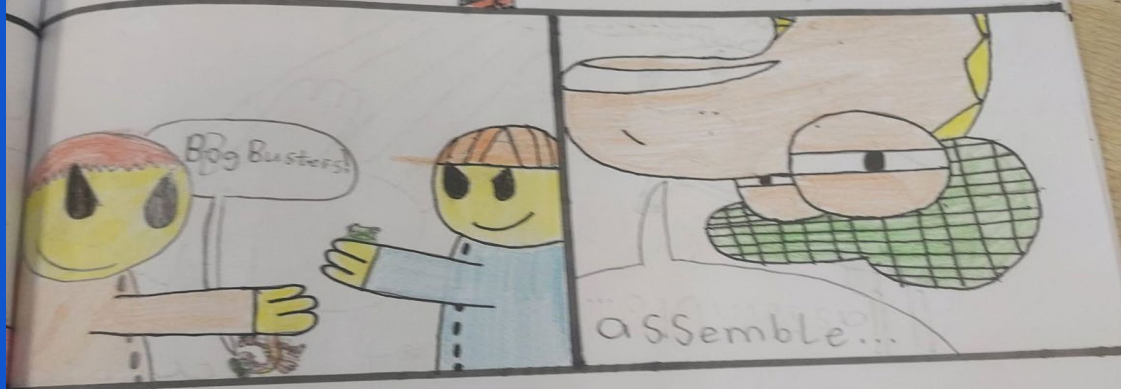

Don't worry Fern!  
I'm coming down!

Hey look  
at this  
one.

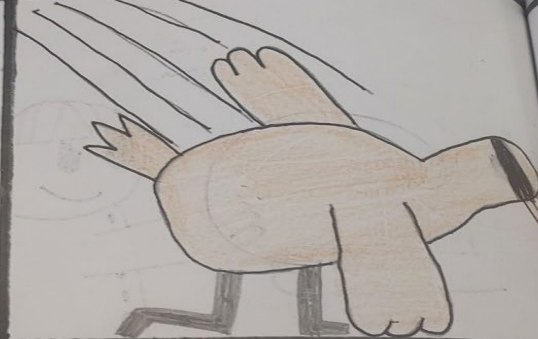

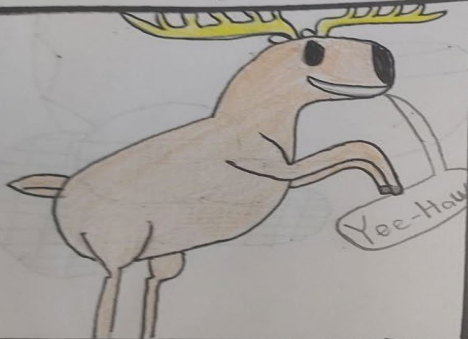

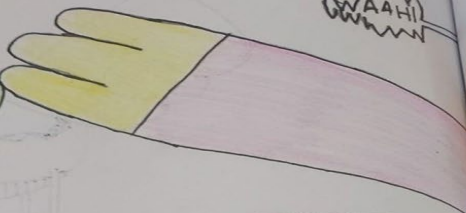

AAARGH!!!

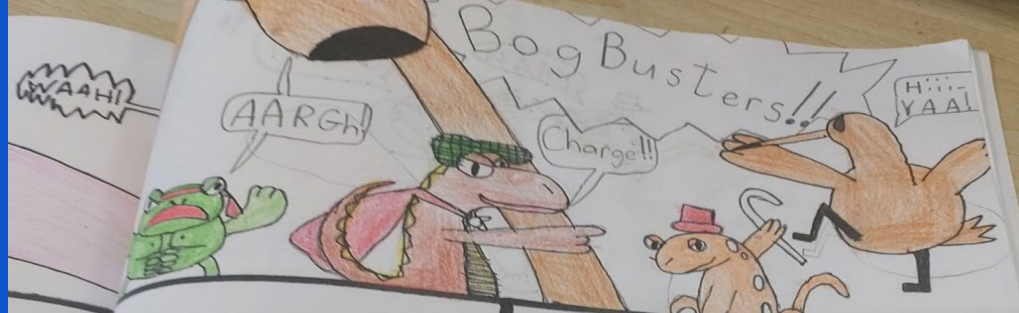

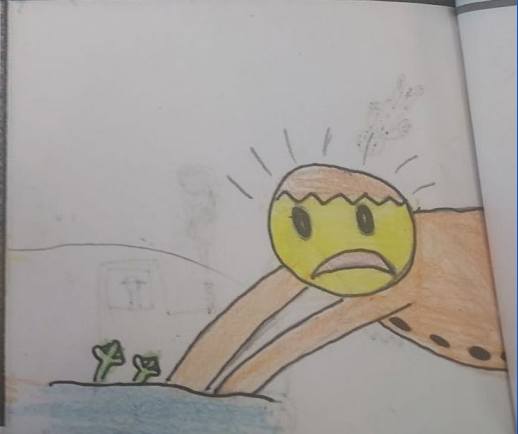

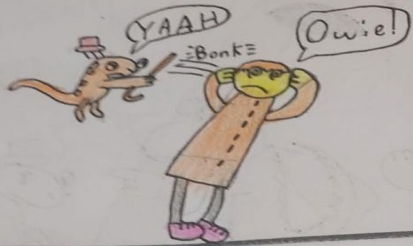

WAAH!  
WAAH!

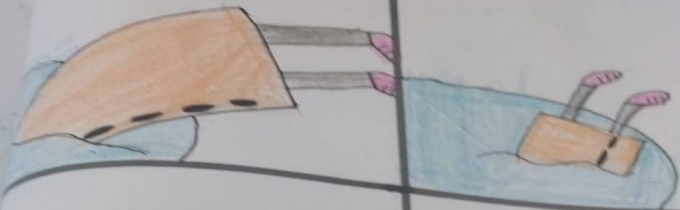

CHARGE!!!
